

# Sapir Shanskhalil

Hi! My name is Sapir and I'm a fourth year Computer Science student at Cornell University. I'm a native bilingual and a hard-worker with excellent problem solving skills and creativity that can often view things in different ways. As most of my studies consisted of projects, I'm friendly, easygoing, and a great team-player.

## Education

**Cornell University, College of Engineering | May 2021**

B.S. Computer Science | Specialization: Agro-business

## Relevant Coursework

Intro Design & Programming for Web, Human Perception: Application to Computer Graphics + App Addictiveness Project, Intro to Digital Product Design, New Product Development

## Experience

**Web Developer, OurStory | May 2020 - Sep. 2020**

Designed and developed a website for OurStory using Webflow, JQuery, and design thinking principles

Communicated with the founder to make sure the website was fulfilling the company's needs and goals

**Product Design Intern, PrettyBird | Oct. 2019 - Jan. 2020**

Worked closely with the lead product designer, providing constructive UX feedback

Conducted research for data points and competitor market

Pinpointed necessary actions and assisted in designing the app's user flow

**Graphic Design and Marketing Intern, HopIt | Jul. 2018 - Aug. 2018**

Created technical info-graphics and social media materials to convey the brand vision

Brainstormed and developed content and campaigns to increase online presence

Designed webpage layouts

## Software

Sketch, Figma, Origami, Adobe Creative Suite (Illustrator, InDesign, Photoshop, Premiere Pro), Canva, Microsoft (Word, Excel, Powerpoint), Google (Docs, Sheets, Slides)

**Programming Languages:**

Python, Java, R, Javascript, JQuery, HTML, CSS, OCaml

## Languages

English (native), Hebrew (fluent), Farsi (intermediate), Arabic (beginner)

## Interests

Music, Traveling, Near Eastern History
